Re: IEEE Foundation Grant Application #2009-060 “IEEE Teacher in Service Programme (TISP) in SA”

Dear Prof. Beute,

The IEEE Foundation has reviewed your grant application and is pleased to provide you with official notification of the IEEE Foundation Board’s decision to provide funding of up to US\$15,000 to be paid over two years – US\$8,000 in 2009 and US\$7,000 in 2010.

As evident by this grant, the IEEE Foundation is interested in seeing this project through to its successful completion. Please provide project status reports every six months from the start of your project, and a final report within one month after the completion of the project. Please submit the reports using the web-form available on the IEEE Foundation website – **www.ieeefoundation.org**. You will find the Project Report Guidelines and the associated web-forms under the heading “Project Reporting.”

In addition, please acknowledge the support provided by the IEEE Foundation in any published materials such as articles and press releases, and provide copies of these materials to the IEEE Foundation office.

We wish you the best and thank you for providing us the opportunity to contribute toward this endeavor.

Sincerely,

Dr. Richard J. Gowen
President
IEEE Foundation
